Dear Ms. Montani:

Thank you for your letter expressing congratulations and best wishes. It was kind of you to write.

I appreciate receiving your recommendations. As you know, we have already made an announcement regarding the training wage and the minimum wage addressing a couple of your concerns. For your convenience, a copy of the actual news release is enclosed should you wish confirmation of its content.

Because the Honourable Mary McNeil, our new Minister of Children and Family Development, and her staff will be working with you toward our mutual goal of providing low-income families with a good quality of life here, I have shared your correspondence with her for information.

Again, thank you for opening the dialogue with me.

Sincerely,
