

HARD WORK DESERVES LIVING WAGES

*BC ACORN is fighting for Higher Wages for all
British Columbians.*

ACORN Canada is one of Canada's largest and most successful networks of community unions, with more than 25,000 low and moderate income members organized into 20 neighborhood chapters in 4 cities across Canada.

ACORN Living Wage Campaign

Living Wages are good for the economy. They stimulate depressed local economies in lower income communities; they increase the value of work over social assistance and reduce dependence of social service agencies.

We know we can set the precedent and pass Canada's first Living Wage Bylaw right here in New Westminister. We need everyone who thinks that people deserve a Living Wage for their work to get involved.
